**Academic Publications**

At present in collaboration with Professor Asher Cohen, I am working on four papers for publication based on my most recent research:

1. "Obedience and authority in a conservative enclave in a changing environment: A case study of academisation processes among Ultra-Orthodox women in Israel".
2. "Values and constraints presented in an effort to preserve the "enclave" culture: A case study for designing a model of women's Ultra-Orthodox colleges in Israel.
3. "Three approaches to the study of the connection between modernization and traditionalism- A case study of academisation among Ultra-Orthodox and Bedouin women".
4. Between preservation and change: The processes of change and development in the Bedouin society of the Negev". Dedicated to the memory of Prof. Yosef Ginat, z"l.
